ORDER:

The Chief Engineer (R&B) NABARD & RDF, AP, in his letter read above, has informed that the R&B Road at Lebaka to Chintalakunta road is an important ZP taken over road connecting number of villages. This is the only connecting road to the villages to mandal head quarters Nandaluru and other places like Kadapa ,Tirupati. At KM 2/4, there is an existing unabridged crossing. There is an earthen causeway across local river having bed width of 60 mts in KM 2/2-4 of this road. This earthen causeway was washed off during ROVAAN cyclone. During rainy season traffic interruption occurs frequently. Due to that the villagers of this road are feeling much difficulty for movement to adjacent towns for their daily needs like Schools, Market centers, Hospitals etc. As such it is necessary to provide Cement Concrete vented causeway at this location. At Km 3/6 &4/2, the road is getting scoured due to flowing of local vagu along the road. Protection Walls are required at these locations to safeguard the road. Hence the Chief Engineer (R&B) NABARD has requested to accord Administrative sanction for the work " Construction of vented causeway in KM 2/4 of (R&B) road to Lebaka to Chintalakunta road in YSR District" for an amount of Rs.80.00 Lakh under Rural Roads Plan works programme.
